IN-HOUSE TESTING FACILITY ? EVIDENCE

We own and operate an in-house routine testing facility at our works at Nashik. Photographs of the facility are enclosed.

List of test equipment with calibration certificates:

High voltage test set, 100 kV	calibration valid to 31-03-2027
Primary current injection set	calibration valid to 30-09-2026
Contact resistance meter	calibration valid to 31-12-2026
Timing and travel analyser	calibration valid to 30-06-2027
